"Akropong Station Conference Protocoll"

Title: "Akropong Station Conference Protocoll"

Ref. number: D-01.05.III..9

Date: Proper date: 28.03.1854

Description: Dieterle and Mader report on their visit to Süß. Their visit was taken on both sides as an indication that nothing was amiss between the missionaries personally. However, Süß feels himself committed to Gyadam, and is content to let the illnesses take their course. Nevertheless he is able to leave his bed only occasionall and has been able to do scarcely anything since his arrival in Gyadam. Nothing is said about how he had been supported since his arrival, nor what the local attitudes to him were.
