"Annual Report of the Station Abetifi for 1876 (written by Werner)"

Title: "Annual Report of the Station Abetifi for 1876 (written by Werner)"

Ref. number: D-01.28.X..259

Date: Proper date: 10.01.1877

Description: Published apparently in toto as an appendix to the Annual Report for 1877 of the mission. It repeats on the whole the content of the letter No. 257. The building (of which some more exact details are given) has been their main business, they have made little progress with language studies and the evangelical work of the station has had apparently little impact.
