"Appendix to Mohr's Annual Report by Buck"

**Title:** "Appendix to Mohr's Annual Report by Buck"

**Ref. number:** D-01.31.XIV..163

**Date:** Proper date: 15.03.1880

**Description:** This comments on the geographical analysis of Mohr (see No. 162) - his idea about Nsutam is inpracticable in that it is seperated from the rest of the Begoro area by the Birim. Buck would be happy to see Samang under Osino if there were a catechist in Osino. He feels that it is a pity that the catechist for the area below the Begoro hills was not stationed in Dwenease, a much more central town than Fankyeneko.
