"Asante's Report for the Second Quarter 1884"

Title: "Asante's Report for the Second Quarter 1884"

Ref. number: D-01.41.VI..97

Date: Proper date: 14.07.1884

Description: Report on his journey through Salaga and Obooso in the first quarter of the year. This appears to be the manuscript behind the second part of the Christaller/Asante typescript in the library (see D.132 in the so called "Betriebsdokumentation) - or at least to be closely related to it, since many phrases occur in both. Although there are details (including the exact passage of dates) which occur in the Christaller version only.
