"Tschopp to Basel"

Title: "Tschopp to Basel"

Ref. number: D-01.45.V..78

Date: Proper date: 02.03.1886

Description: A report for the last quarter of 1885 and for the Boy's Boarding School over the course of the whole year. His big fever followed on a preaching trip to Abene end Akankawaase. At Christmas the Abetifi church was filled with a congregation both of Christians and heathen. In a summary about his feelings over the situation, as a whole he remarks that it is not without its dangers, and specifically cites the general unchastity. Also he lays great stress on the equality of Christ's love, citing not only the black and white dichotomy, but also gifted and ungifted, pleasant and the forlorn.
