"Asantes' Quarterly Report"

**Title:** "Asantes' Quarterly Report"

**Ref. number:** D-01.47.VI..136

**Date:** Proper date: 11.08.1887

**Description:** In Anum since the beginning of the year 7 families and 2 single persons have entered the catechumenate. They include the chief fetish priest of Anum, a man who had been a pupil in the Anum school and was then taken away by his brother. He said there was peace in his new faith. He was settling his domestic arrangements so as to keep one of his three wives - the one who was going to become a Christian with him. The elders of Anum wanted to set themselves against the new Christians, but the chief would not let them. In Kpalime a member of the royal family with other men, has joined the community. Tsatei is now an outstation with Teacher Amaning - the chief and elder receives him in a friendly way and promised him school children. There are now two catechumens and a request for a teacher from the village of Toson between Boso and Anum
