"Protocol of the Station Conference"

Title: "Protocol of the Station Conference"

Ref. number: D-01.47.V..109

Date: Proper date: 29.01.1887

Description: In the organisation of work on the return of the Ramseyers Schmid is made station Präses (Chairman). Ramseyer is assigned mainly to preaching journeys. In subscripts written by (inter al) Eisenschmid it appears that the idea ist that Ramseyer should be free to move one stage into the interior, perhaps to Agogo, though Mohr and Müller are against making Agogo a station at this stage. Eisenschmid evidently regrets the concentration of strength in Abetifi in view of the need of the Volta mission.
