"Obrecht to Basel"

Title: "Obrecht to Basel"

Ref. number: D-01.59.VII..144

Date: Proper date: 10.05.1893

Description: Reports on the life of the Missios House in Anum. They have 14 boys living with them, 6 from Gyakiti the rest from other areas. This is an unusually large number, since they have difficulty arranging to pay them all etc. With them they have planned a large area with maize and coffee - coffee trees planted several years ago have come into plentiful fruit. An insertion from Martin states that he has heard 8 languages spoken by people from their mission area.
