"Johannes Müller's Comment"

Title: "Johannes Müller's Comment"

Ref. number: D-01.58.I..68

Date: Proper date: 13.05.1893

Description: En passant he estimates the numbers of Mohammedans in Kpando at 2-300. The slaves whom one meets appear to have come from the regions of the River Niger in many cases, near its middle stretches, and the areas to the south (though Müller adds as a qualification that the area as a whole is too unknown to time him for him to identify it easily.) He seems generally favourable, though suggests the best place for the settlement would be the hill Misa, 4/5 hours in the East of Kpandu, near to where the Germans have established a Government post.
