"Clerk to Basel"

Title: "Clerk to Basel"

Ref. number: D-01.63b.VII..144

Date: Proper date: 10.04.1895

Description: Relays information from letters from von Doering & Amason, and a conversation with Mischlich about policy in Adele. Von Doering was angry with Agba for taking the boys back, and the elders after his intervention promised to send many boys to school - indeed three have arrived in Worawora. But von Doering has stipulated that missionaries in that area must be German speaking. Because of the lack of such people and the distance from Worawora, they have decided that there is no immediate prospect of sending anyone to be resident in that district, though there is a plan to settle somewhere in that region in the early months of 1896 since neither Buem nor Krakye seemed suitable for the establishment of a European station.
