"Strömberg's Quarter Report"

Title: "Strömberg's Quarter Report"

Ref. number: D-01.11.IX..19

Date: Proper date: 03.08.1860

Description: A part of this letter is quoted in the Heidenbote 1860, p.20. There is some additional material. In June the Kibi camp seems to have been in the region of Tekyiman, which Strömberg describes as a town under Kukurantumi. Not only Gyadam but Mosiaso has been destroyed. He has fever two days in seven and seems to feel he is rather well to be so free of it.
