- Description:** He reports that when Christians commit adultery it stops the heathens considering becoming Christians. There are three presbyters at Abomosu. Of the 17 pupils in his school 7 are sons of non-Christian parents, and 6 are Christian girls. It is very hard to persuade the parents of the latter to let them attend school. It is hard to get a full meeting of the congregation because members so often go to Accra or Akyemfo to get goods.
