"Comment written by Klaus on detailed Plans for the Occupation of Anum"

- Title:** "Comment written by Klaus on detailed Plans for the Occupation of Anum"
- Ref. number:** D-01.16.VIII..8
- Date:** Proper date: 04.07.1864
- Description:** Committee's original plan: to send Rottmann, Fetzer and Meier to Anum. Meantime Meier had died, so Klaus had been added to the list. They regret that none of these is ordained, but accept that the shortage of missionaries enforces this. However, none of these three speaks Twi. Although they are being accompanied by a local commercial assistant, they also ask for a catechist to accompany them to Anum, and another catechist to be posted to work with the local commercial head of the Dauromadam station, Daniel Young. They realise that these suggestions will not be easy to implement because of the shortage of reliable local assistants in both branches of the work.
