"Fetzer to Basel"

Title: "Fetzer to Basel"

Ref. number: D-01.16.VIII..13

Date: Proper date: 05.10.1864

Description: Describes the 'King' of Anum as young and extremely friendly. He visits them almost every evening. His palace appears rather poor. The chosen settlement site has a view to the north over wide plains 'partly Asante'. They have already experienced several funeral customs in the area around their huts. His current work: clearing the bush. This proceeds slowly, since the people are not accustomed to working for long stretches - they have no need to. And they are not very interested in earning either.
