"Anum Stations Conference"

Title: "Anum Stations Conference"

Ref. number: D-01.16.VIII..16

Date: Proper date: 05.11.1864

Description: Rottmann's absence is discussed, and an emphatic request made for his replacement by a senior married brother. The latter partly because he and his wife would be so valuable in helping the younger missionaries through their acclimatisation period. Partly because with the new year they expect the cotton trade to develop, and they will simply have too few hands for everything there is to do, especially if one of them is sick for any length of time.
