"Stations Conference Report"

Title: "Stations Conference Report"

Ref. number: D-01.17.VIII..3

Date: Proper date: 03.04.1865

Description: Reacts to a letter from Basel dated 11th January, which in turn is a reply to their Stations Conference Protocol of 5th Nov 1864. The Basel Committee appear to have taken exception to the requests made, and the tone in which they were made. The two missionaries now explain that the protocol had been written by Rottmann, they had both had fever at the time, and hence had allowed the thing to pass straight through. The Committee has apparently now given instructions that they are not to divert energy to preaching until the building programme is ended.
