**Ref. number:** D-01.03.VII.,25

However, some of the better chaplains from former times have worked so, that a few people from the former Danish congregation have found the way to them. They are strict with the administration of the lord's supper (pp 1-2). About the salary of the students: cannot be reduced much now. Needed, because of the good custom, that lads of their age help their parents financially (p 3).
