Title: "Sammlung von vorwiegend Zirkularen 1849-1856 / collection of mainly circulars 1849-1856"

Ref. number: C-01,009

Date: Date late: 1856
Proper date: 1849-1856

Description: This volume does not really belong in C-1., which is the official collection of letters and reports from Basel missionaries in India put together in Basel as part of the regular work of the Mission's headquarters. It is a collection of important documents either sent from Basel to India or generated among the missionaries in India itself 1849-1856. Almost all of the documents are lithographic copies of circulars and minutes, some have Gundert's name at the head of the document. The volume was given to the Basel Mission by the Calwer Society's Bookshop in Stuttgart in June 1932. The "Calwer Missionsverlag" was an important publisher of missionary and pietist material in the northern Black Forest. Its second director was Hermann Gundert. It is probable that this volume is Hermann Gundert's collection of documents concerned with the Indian visitation of Inspector Josenhans in 1851-52.
