Ref. number: C-01,012 a+b

Date: Proper date: 1852
Acquisition year: In the course of rebinding in the 1990s the single volume C-1.12 was divided into two for the sake of ease and conservation

Description: With sections for: Mangalore, Mulki, Honore, Dharwar and Hubli in volume C-1.12a and Bettigeri, Guledgudd, Cannanore, Tellicherry, Calicut and Keti in volume C-1.12b. The first section consists of a large section in which correspondence from the Mangalore station is mixed with the correspondence of the documents generated by the Mission's leading officials and organs in India. The Mangalore correspondence again includes materials from the Mission's Indian staff. NB there is a travel report by Kaundinya to Dharmastalla and Subramaniah, dated 5th-24th December 1852, at the very end of this section. It seems that the larger part of the quarterly and annual reports for 1852 is in volume C-1.13.
