Title: "Gebietsakten Indien. Canara and Südmahratta. 1866 / Letters and Reports from India, Karnataka, 1866."

Ref. number: C-01,038

Date: Proper date: 1866

Description: The structure and size of this volume corresponds on the whole to C-1.36. Only significant changes are noted here. It begins with a section on the Cannara District Conference (there is no section for the General Conference or its Executive Committee). There is in this year for the first time a separate section for the mission station at Anandapoor, which replaces the section called "Kurg". A very cursory look at the section indexes shows a significant body of documents about starting a bookshop in Mangalore (Mangalore 56-64, and perhaps more).
