Title: "Gebietsakten Indien, Generalkonferenz, Canara und Südmahratta 1869 / Letters and Reports from India, General Conference, Canara, and South Mahratta 1869"

Ref. number: C-01,044

Date: Proper date: 1869

Description: Volume C-1.44 was rebound ca. 2003 and is now in two separate parts, C-1.44 and C-1.44a. This reflects a rather larger body of materials than have been filed in previous years - perhaps as much a 33% more than C-1.36, for example. C-1.44 simply contains documentation generated by a meeting of the Indian General Conference of the Basel Mission in Mangalore in February 1869. It has a single index at the beginning listing the 48 documents it contains, with, in each case, a short caption, in excellent handwriting. C-1.44 and C-1.44a correspond to the structure of filing as we saw it in C-1.36. The separation between C-1.44 and C-1.44a could, perhaps, have been more logical - the correspondence of the General Conference Executive Committee and the General Conference Treasurer [the latter responsible for Basel Mission finances in South India as a whole] is bound in as a section at the beginning of C-1.44a. This is followed by the sections with which we are familiar: Canara District Conference and its individual stations, and the South Mahratta District Conference and its individual stations. The only innovation is that there is now a separate named section for "Mercara", following the new section for Anandapoor. In a pocket in the front end-papers of C-1.44a are two printed documents - - Einige Schulberichte von Missionar Fr. Müller in Udapi (some reports about educational work in the Udipi district) 16 pp., 1868 - Protocoll der Verhandlungen der 8ten General Conferenz der Basler Evangelischen Mission im südwestlichen Indien....Mangalore 1869 (Minutes of the 8th General Conference in the Basel Mission in India, Mangalore, Feb. 1869) 20 pp.
