Ref. number: C-01,161

Date: Proper date: 1906

Description: The structure of this volume corresponds to that of C-1.157, except that in the division between Malabar I and Malabar II the section for the mission station in Chombala has been taken into Malabar I in this year. The documents are numbered consecutively through Malabar I and Malabar II (C-1.159 and C-1.161), and this volume contains documents numbered from 124 to 272. In 1907 the letters and reports from India are bound into five volumes, not, as in 1906 in four. The organisation of the five volumes is also substantially different. The first three volumes (C-1.162-164) are devoted to correspondence. The last two volumes (C-1.165-6) are devoted to Quarterly and Annual Reports, respectively C-1.165 from Karnataka and C-1.166 from Kerala and the Nilgiris.
