"Kopierbuch 1892-1910 / copy book 1892-1910."

Title: "Kopierbuch 1892-1910 / copy book 1892-1910."

Ref. number: C-05-1.03

Date: Date late: 1910
Proper date: 1892-1910

Description: An unusually thick (3.7 cm) book with 990 tissue-paper pages, only 331 of them used. There is an alphabetical index bound into the front of the volume with at least some entries. The general condition of the volume is good, but the quality of the copies is very mixed. The best are relatively easy to read, but in the worst cases scarcely a mark has been retained on the paper. Copies from Sep. 1891 to August 1910, beginning with F. Ziegler (to c. p. 160, 1895), passing into the hands of M. Hoch, L. Frohnmeyer (1898 pp.178-c.225, 1902), W. Bader (c.225 1907 to c. p.320, 1908) and P. Sengle. The volume seems to contain some letters to addressees in India, though there are also substantial documents addressed to the missionaries' conferences in India or intended ultimately for reading in Basel.

Subject: [Archives catalogue]: Guides / Finding aids: Archives: C - India: C-05 - contents of station archives in India brought back to Basel.: C-05-1 - copy-books brought back from different station archives in India.
