Description: NB the title is neither modern, nor original Pages of a small (28x18x1.5 cm) book (cover lost) with stout paper into which important documents appear to have been copied. Condition: good (except that the cover is missing). The earliest documents are General Conference minutes from 1838 and 1839. Then follow proposed congregational regulations (9 pp) drafted in India, what appears to be a copy of an 18-page reply from Basel, and further exchanges between the Committee in Basel and different groups of missionaries in India.
