"Protocoll der General-Konference Managalore 1838 / Minutes of the General Conference, Mangalore, 1838."

Title: "Protocoll der General-Konference Managalore 1838 / Minutes of the General Conference, Mangalore, 1838."

Ref. number: C-05-2.01b

Date: Date late: 1839
Proper date: 1838-1839

Description: School exercise book format, the first 33 pages have been numbered by hand (but 33 pages is probably somewhat less than half the whole book). Condition: severely damaged by insects/worms, and towards the end heavy ink-spread makes the documents very difficult to read, especially since the documents were written on both sides of the page, and thus the writing of both sides is visible from each. The title is inadequate in that the book includes also the minutes of a Station Conference Mangalore 1838, a General Conference in 1839, and copies of relevant correspondence. In view of the conservation and reading difficulties no attempt has been made here to index the second half of the book, but it looks as if the end of the book is more a station chronicle than a set of minutes.
