**Ref. number:** C-05-2.21a

**Date:** Date late: 1912  
Proper date: 1860-1912

**Description:** Modern manilla folder in which are lying about 1 cm of papers....their provenance not immediately clear, nor is there much indication that they really belong together. Indeed the occasional dates show a spread from as early as the 1860s, and as late as 1912. So - a very miscellaneous collection indeed, probably filed here because a lot of them are what look like notes taken during mission conferences and synods. One or two documents in Kannada.
