"Papers from the District School Inspector or the District Chairman of S. Karnataka 1900-5 (?)"

- Title:** "Papers from the District School Inspector or the District Chairman of S. Karnataka 1900-5 (?)"
- Ref. number:** C-05-2.25
- Date:** Date late: 1905
Proper date: 1900-1905
- Description:** This file consists of foolscap format pages sewn together but without the original cover, and the question arises whether the first pages have been lost. The pages are not numbered - the block of paper is c. 0.8 cm thick between the covers. Condition: fairly good. The paper is discolouring uniformly. There are no problems with ink. The document has been put into a new modern carton envelope. There are, perhaps, a dozen documents laid into the rear of the file. The first document is dated 1900, the last 1905. The materials here seem to be exclusively concerned with South Canara - texts of letters sent to the South Canara stations, copies of Committee documents concerning the region etc. It was probably a working file of the Mission's District School Inspector, or possibly the District Chairman.
