Title: "Gen. Kassier 1910-16. Indische Stations-Akten (v. Hrn Eidenbenz 1920 mitgebracht) / Field Treasurer 1910-1916 Papers from Indian stations (brought back by Mr Eidenbenz in 1920)"

Ref. number: C-05-4.11

Date: Date late: 1916
Proper date: 1910-1916

Description: Format, construction, condition as C-5-4.7 File generated in the office of the Basel Mission's General Treasurer. Compared with C-5-4.10 it contains (virtually no) correspondence down the Mission's main hierarchy. Instead there is a lot of technical financial correspondence, where the writers on the Basel side were members of the Mission's administration - the names Layer, Ensinger and Deyhle appear prominently. This is an unusual source on the Mission's organisation, and might provide interesting information on materials shipped to India, and possibly on payments to individuals in India over and above the official budget.
