"[1838] 1841-52 [Field Secretary's Office] [1838] 1841-1852."

Title: "[1838] 1841-52 [Field Secretary's Office] [1838] 1841-1852."

Ref. number: C-05-4.15b

Date: Date late: April 1852
Proper date: July 1838-April 1852

Description: Remains of a volume constructed like C-5-4.7. The pages are not numbered consecutively, though within some of the documents the pages are numbered. The block of paper between the covers was about 3.8 cm thick. There is no index. Condition: the circulars are in their usual good state of preservation, the letters less so. This file, too, seems to have been generated in Hebich's office - the few original letters are addressed to him, and some of the duplicated circulars have his name pencilled on them as the addressee. The file begins with MS minutes of the first meeting of the India missionaries in July 1838. It mostly contains duplicated circulars (lithographed, in the old German handwriting), the latest being from April 1852.
