"Archiv des Gen. Sekretärs. Briefe an den General Sekretär von den Stationen und d. Komitee 1875-1913 Archive of the General Secretary. Letters from the stations and from the Committee 1875-1913"

Title: "Archiv des Gen. Sekretärs. Briefe an den General Sekretär von den Stationen und d. Komitee 1875-1913 Archive of the General Secretary. Letters from the stations and from the Committee 1875-1913"

Ref. number: C-05-5*.6

Date: Date late: 1913
Proper date: 1875-1913

Description: File in the style of C-5-4.7, the block of paper at the spine and between the covers ca. 3.3 cm thick. Condition: moderate to good. Paper/ink problems in some letters make legibility difficult. Some documents were wider than the file and their right-hand margins have been damaged. The file was not used consistently through the years given in the title. There are a few documents from the 1870s, but the bulk of the material is from the 1890s. Towards the end of the period some letters from the Inspector in Basel are pasted in, but on the whole the file collects letters addressed to the Gen. Secretary (presumably: Präses = Field Secretary) from within India.
