"Documents from the South Kanara District Executive Committee office"

Title: "Documents from the South Kanara District Executive Committee office"

Ref. number: C-05-5*.7

Date: Date late: 1913
Proper date: 1903-1913

Description: File in the style of C-5-4.7, the block of paper at the spine between the covers being ca. 3.3 cm thick. Few documents pasted in - the greater part of the file is unused. Condition: good, except that a couple of documents were wider than the file and their right-hand margins have been damaged. The file seems to have been kept in an office of one of the officials of the South Canara District Executive Committee. It contains documents over the years 1903-1913, mostly from within the Basel Mission's own communication system. Lying in the file is a school exercise book marked C-5-5.7b. It consists of an alphabetical index of letters in the 1870s and 1880s. It also seems to have been kept within the South Canara District of the Basel Mission.
