The Circular is 4 pp long and dated 21st Sep. 1847 (lithographed in the old German handwriting) and contains a definition of the points B to Q which have to be treated separately in financial policy and accounting. The file also includes a copy of the approved budget scales for each station for the period November 1847-October 1848 displayed according to sections A to Q, and a second large table giving the approved budget scales for each missionary in the same terms for the years 1843-1846.
