"Indien. Akten betr. Merkara-Kupferplatten"

Title: "Indien. Akten betr. Merkara-Kupferplatten"

Ref. number: C-10.09,3

Description: Letters on the copper plates from Merkara which Kittel received as a present, but which the British Government argued should be given back. The file itself contains only four short documents, from which it appears that the copper plates were exchanged for materials in the British Museum relevant to the history of Basel - or at least this was being proposed in 1926.
